

## **2026 Round 1 Chart Selection Criteria**

### **Abstract January 1<sup>st</sup> through June 30<sup>th</sup> 2026**

#### **Eligible patient criteria**

- 18 or older at diagnosis
- Invasive malignancy or hematologic malignancy

#### **Diagnosis & Visit Window**

- Diagnosed: 12/01/2024 – 3/31/2026
- First Office Visit: 12/01/2024 – 5/31/2026
- 2 Office Visits (practitioner): 10/01/2025 – 5/31/2026

#### **End of Life patients only need to meet criteria below**

- Patient must have died: 12/01/2024 – 5/31/2026
- Patients must have a known date of death
- Death related to cancer or cancer-related treatment
- 2 office visits (practitioner): Within 12 months preceding death

#### **Notes**

- Practitioner is defined as: Licensed independent practitioner, including physicians, advanced practice nurses (nurse practitioner or clinical nurse specialist), and/or physician assistants, as determined by state law
- Date of Diagnosis: Date the specimen was collected for the diagnosis being abstracted
- First Office Visit must occur with a Medical Oncologist or Hematologist Oncologist.
- All patients must be aged 18 or older at the time of diagnosis.
- All patients must have come to the office for cancer care NOT for only a consult or second opinion.
- Do not abstract recurrent/metastatic cancers in alive patients if the original diagnosis was prior to the diagnosis dates for the current round. Recurrent cancers can be abstracted in EOL patients.
- Charts abstracted for the previous MOQC rounds should NOT be included.

#### **Changes (as of Jan 2023):**

- 2 office visits preceding death went from 9 to 12 months.
- No longer exclude charts of patients diagnosed with more than one invasive malignancy during the diagnosis window or if the patient had two distinct breast primaries.
